Veterinary Referral Request for Chiropractic Care

Referral Guidelines

1. Your client listed below has requested that Healing Meadows Animal Chiropractic provides their animal listed below with chiropractic care.
2. Minnesota state law requires licensed Chiropractors to obtain a referral from an animal's primary Veterinarian prior to providing chiropractic care. Dr. Donaldson is NOT a licensed Veterinarian and therefore understands that Chiropractic care is an adjunct to traditional Veterinary care.
3. Dr. Jessica Donaldson is certified in Veterinary Spinal Manipulative Therapy by the Healing Oasis Wellness Center in Sturtevant, WI. This program has been approved for continuing education and training in veterinary spinal manipulation by the American Veterinary Chiropractic Association.
4. Dr. Donaldson is licensed in the state of Minnesota as a Doctor of Chiropractic with License number 5859 and Animal Chiropractic Registration number 037 by the Minnesota Board of Chiropractic Examiners.
5. Please fill out this form and email to info@healingmeadowschiro.com OR give to client to bring to appointment.
6. Let us know which you prefer. Check one of the following:
 - Please do not contact me, I will request information if I feel I need it in the future.
 - Please send me initial examination information.
 - I would like to collaborate with Jessica Donaldson, DC, CVSMT on this patient's care.
